

WSSAAA

2008-2009 Membership Form

Washington Secondary School Athletic Administrators Association

INVOICE # 07-101

JOIN YOUR ASSOCIATION TODAY

Join the organization that represents the athletic directors throughout the state. Do it today for the 2008-2009 school year! In addition to participating actively in your organization and receiving reduced registration fees to the state conference, all WSSAAA members receive complimentary **admission to all WIAA State Tournaments**. Benefit yourself and your state organization by signing up now. You also have the opportunity to **join the NIAAA**, the national athletic directors association, which allows you 2 million dollars of liability insurance as well as a discount to the National Conference.

Your membership also supports our new WSSAAA News Letter, published every month (except July) by our organization. This publication provides a forum for discussion and debate on controversial issues as well as the opportunity to highlight some great new ideas for performing our jobs more professionally

Make your plans now to attend the state conference in Spokane next April 5-8. Plan on taking at least one Leadership Training Class this year as well!

Athletic Directors throughout the state took the challenge to participate and make WSSAAA a better organization than last year. Over 425 Athletic Directors joined last year. We had marked increases in both Junior High/Middle School athletic directors and retired athletic directors. We hope to add to this by topping the 450 mark this year. We need your help. Don't put it off, join today.
