

2008-09 Swim Head Coach

Jason Lancaster

Coach Lancaster has a long history of swimming success. He is the most decorated swimmer in Indiana high school history with 12 individual and relay state titles as well as a National and State high school record in the 200 Individual Medley. He just missed making the Olympic team in 1996 and was 3rd in the world that year in the 100 Meter Butterfly. He was a member of an American record setting 4 x 200 yard Freestyle Relay representing the University of Michigan.

As a coach, he has developed Sectional and State champions, as well as National qualifiers, Olympic trials qualifiers and American record holders. He looks to build a dominant program here at Warren Central.
