

Washington Secondary School Athletic Administrators Association

District Athletic Director Award

The Candidate must:

- Be a member of WSSAAA and be selected by their WSSAAA District.
- Be an active athletic administrator (at least five years).
- Be recognized as an educational leader who maintains that athletics is an integral part of the total education program.
- Administer an exemplary athletic program that involves as many students as possible making full use of school and community resources.
- Have made a significant impact on the lives of students.
- Have used athletics as a catalyst to achieve some demonstrable progress in the social and cultural environment of the school and/or community.
- Be active in league, district, regional and/or state committees.
- **Nominations from each district due at end of Jan. WSSAAA Mtg.**

Nominee _____ Phone # _____

Address _____ City _____

Zip Code _____ Years as an A.D. _____

On a separate page, please give us a summary of the nominee’s educational background, career, past honors and awards, services to their community as well as league, district, regional and/or state committees. Also, an explanation of why they meet the seven criteria set out above.

Additionally, in order to be considered, LETTERS OF RECOMMENDATION MUST accompany this nomination form. Letters of recommendation should be personal and contain statements pertaining to the contributions made to the athletic program and young people.
