THE GREATER BALTIMORE CHAPTER
NATIONAL FOOTBALL FOUNDATION
AND COLLEGE HALL OF FAME

Football has become the emotionally integrating force of the American school and college and, to no small degree, a unique training ground for leadership in our competitive society. The National Football Foundation and College Hall of Fame is a nationwide organization whose purposes include: the promotion of our American football game as an integral and vital part of our education processes; the encouragement of playing the game at all levels of competition – on the sandlots, in junior and senior high schools, and in colleges; and the establishment of the proper incentives and ideals for American youth consistent with high standards of sportsmanship among players. The College Football Hall of Fame honors those men who have excelled on the college playing field and contributed to society.

The Greater Baltimore Chapter is one of 120 chapters organized in the football centers of our nation. The Chapter held its first formal organized meeting on June 28, 1961. Through the efforts of such founders as Dr. George “Tank” McLaren, Harry Lawrence, John Donohue, Charley Havens, Dave Kaufman, Paul Menton, Don Kellet, Charles P. McCormick, Sr., and the Chapter’s first president, Howard “Dutch” Eyth, the foundation for the organization was formed.

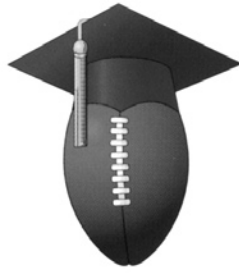

Primary among its efforts, the Baltimore Chapter sponsors the annual Scholar Athlete Awards Dinner, which recognizes a scholar-athlete from each of the football-playing high schools in Baltimore City and the counties of Anne Arundel, Baltimore, Carroll, Frederick, Harford, and Howard and those who have made lifetime contributions to high school or college football. The first dinner was held in 1964 at the then Sheraton Belvedere Hotel under the chairmanship of Dr. R.D. “Bo” Menton, Jr. That year, 380 people attended the affair honoring 31 Scholar-Athletes. Through the years, more than 3,400 Scholar-Athletes have been honored and over 48,000 people have attended the dinner.

Scholarships awarded have amounted to more than \$305,000. Over 1,200 people will attend tonight’s dinner where we will honor 95 outstanding young men. The budget for this year’s affair exceeds \$65,000, in contrast to the original year’s budget of \$3,500. The Chapter takes great pride in its Scholar-Athlete Dinner, which is the largest of more than 100 similar dinners held by Foundation chapters throughout the country and the only one that honors a Scholar-Athlete from each of the football-playing high schools in its regional area.

Over the years, the Chapter has awarded more than 175 trophies to area high school and college football teams who have had significant achievement. The Service to Football Award is given in honor of Herb Armstrong, a founding chapter member and longtime president of the Maryland Scholastic Association. The Award is not an annual award, but rather is given to deserving individuals who have made a significant personal contribution and commitment to football in this area. Recipients include Herb Armstrong, Dave Kaufman, Harry Lawrence, John Donohue, Dutch Eyth, Charley Havens, Gardner Mallonee, Earl Banks, Ed Hargaden, Steve Hokuf, Ed Hurt, Bob Lumsden, Herb Ruby, Mason Russell, Dick Working, Mel Filler, Mitch Tullai, Jim Head, Reddy Finney, Ed Novak, Lloyd White, Toy Cragway, Augie Waibel, Joe Brune, Nick Schloeder, Andy Borland, Elmer Dize, Denny Cox, Bill Bauersfeld and Bob Patzwall.

Upon request, our Chapter aids area schools and colleges with advice and counsel concerning their football programs. The Chapter is also a participant and supporter of the National Play It Smart program, which is jointly sponsored by the National Football Foundation and the National Football League.

Individual memberships are \$40 per year; applications may be obtained by contacting the Baltimore Chapter at (410) 668-6901 or by visiting our web site at www.nffbaltimore.com.

PLAY IT SMART

In 1998, The National Football Foundation created PLAY IT SMART, an educational program targeted at kids from inner city environments where family and community support are generally lacking. The program, designed to take a student-athlete's passion for sport and intense dedication to their team and transform it into a force for greater good in their lives, has exceeded everybody's expectations. At less than a-dollar-a-day per student-athlete, the program has sent 87% of its participants onto college.

At the heart of the program is the PLAY IT SMART "Academic" Coach, equal parts mentor, advocate, counselor, teacher, coach and friend. Each academic coach receives special training and support from the National Football Foundation Center for Youth Development Through Sport (NFF Center) at Springfield (MA.) College, the only American college offering a graduate program in athletic counseling.

The Academic Coach works with the kids for the entire school year. It's the Academic Coach's job to turn each football team into a learning team, in the process lifting grades, SAT scores, graduation rates, community service participation and drug and alcohol awareness. He helps the players establish individual and team goals in key areas such as GPAs, SAT/ACT scores, graduation and college enrollment.

The program started in four schools in 1998, and with significant financial support from the U.S. Department of Education, the NFL and the NFL Players Association, has expanded to 128 high schools in 84 cities and 34 states with close to 11,000 student-athletes participating. Patterson High School was the first Baltimore area school to participate in the program; Forest Park and Edmondson High Schools have been added to the program over the past five years.

Each dollar makes an impact in the lives of PLAY IT SMART participants. In addition to the training and compensation of the Academic Coach, the \$25,000 cost per school covers everything from educational materials to SAT/ACT registration, parent programs, travel to area colleges and awards for outstanding achievement. Since its inception, the PLAY IT SMART program at Patterson High School has been fortunate to receive additional support from the Jonathan Ogden Foundation, established by former Baltimore Ravens All-Pro Jonathan Ogden. Numerous sponsorship opportunities exist for those interested in supporting the program there and at other schools.

If you should have any questions about PLAY IT SMART, feel free to contact Executive Director Len Stachitas at (972) 556-1000, or visit the website, <http://playitsmart.footballfoundation.com>.

A. Paul Menton Award

River Hill High School

The Greater Baltimore Chapter of the National Football Foundation and College Hall of Fame annually presents the A. Paul Menton Award to the top Baltimore area football team. The award is named in honor of the late A. Paul Menton, the long time sports editor for *The Baltimore Evening Sun*. Mr. Menton also served as the commissioner of game officials and was a founding member of the Greater Baltimore Chapter of the National Football Foundation.

This year's trophy goes to the River Hill Hawks. Head Coach Brian Van Deusen's squad captured its sixth straight Howard County championship, its fourth straight Region 3A championship and played in its second consecutive state Class 3A final. Ranked #1 in the state by Digital Sports.com and the Maryland State AP Poll, and 23rd in the *USA Today* national poll, the 14-0 Hawks outscored its opponents 584-60, never trailing an opponent during the 2008 season. Offensively, River Hill rushed for 63 touchdowns, covering 4,347 yards, a whopping 8.6 yards per carry. Overall, the offense averaged 358.4 yards per game with 84 total touchdowns. On defense, the Hawks registered 10 shutouts, with 17 interceptions and permitted their oppo-

nents an average of 110 yards per game. The River Hill Hawks is 28-0 over the past two seasons, 41-1 over the past three seasons and 52-3 over the past four years, giving this year's seniors one of the most successful tenures in the state's history.

The Hawks were led by consensus All State Safety and Running Back Michael Campanaro, who generated over 2,000 yards of total offense and 37 touchdowns. Two way starter Malek Redd rushed for over 1,400 yards and 20 touchdowns, while Quarterback Luke Hostetler passed and rushed for 16 touchdowns. Patrick McCleaf was the team's leading tackler on defense with 112 stops and 5 sacks. Close behind were other two way starters Kevin Moore (111 tackles), Ryan Griffin (92 tackles), Leron Eaddy (89 tackles), and Sean Hall (58 tackles). Kicker Scott Trench averaged 56 yards on kickoffs for River Hill with 28 touchbacks, with 1 field goal and 57/61 points after touchdowns.

Earning his fourth consecutive Howard County Coach of the Year award in 2008, Van Deusen has posted a 89-18 record during his nine years as the Hawks head coach. His 2008 staff included Tom Gruneberg, Todd Martin, and Til Campanaro.

Ben Eaton, Sr. Championship Awards

Several area high school programs enjoyed noteworthy success or marked significant milestones during the 2008 football season. With two teams from our chapter area winning consecutive state championships (Dunbar High School in Class 1A and River Hill High School in Class 2A) and Wilde Lake High School's appearance in the 3A championship game at M&T Bank Stadium, the Greater Baltimore Chapter region enjoyed another banner year.

For these accomplishments, the Greater Baltimore Chapter of the National Football Foundation will present the Ben Eaton Sr. Championship Awards to our two area state champions. The awards were renamed in 2008 to honor the

memory of now legendary coach Ben Eaton, Sr. of Dunbar High School, who died suddenly prior to the start of the 2007 football season. Recognized by his peers and the community at large, Coach Eaton set a standard coaches aspire to as a counselor, mentor, leader and friend.

Dunbar High School

The Poets captured their third consecutive state championship and their sixth title in six tries since 1994 with a captivating 20-19 win over Allegany County's Fort Hill High School at M&T Stadium. The 1A champion's win capped a 13-1 season for second year Coach Lawrence Smith, whose team included 27 seniors.

Special Achievement Awards

Herb Armstrong Service to Football Award

The Service to Football Award is given in honor of Herb Armstrong, a founding chapter member and longtime president of the Maryland Scholastic Association. The Award is not an annual award, but rather is given to deserving individuals who have made a significant personal contribution and commitment to football in the region. Recipients include Herb Armstrong, Dave Kaufman, Harry Lawrence, John Donohue, Dutch Eyth, Charley Havens, Gardner Mallonee, Earl Banks, Ed Hargaden, Steve Hokuf, Ed Hurt, Bob Lumsden, Herb Ruby, Mason Russell, Dick Working, Mel Filler, Mitch Tullai, Jim Head, Reddy Finney, Ed Novak, Lloyd White, Toy Cragway, Augie Waibel, Joe Brune, Nick Schloeder, Andy Borland, Elmer Dize, Denny Cox, Bill Bauersfeld and Bob Patzwall. Tonight we honor another individual who has had a tremendous impact on the local amateur football community.

Doug DuVall just completed his 35th year of coaching varsity football at Wilde Lake High School with a career record of 308–88. Coach DuVall's teams won Maryland State Championships five times, including three consecutive championships from 1990-1992, with a 29 game winning streak and 52-2 record over four years. Doug's teams have earned 19 Howard County Championships, 10 Regional Championships and have been ranked #1 in the State of Maryland by USA Today. Doug has been named "Coach of the Year" and "Coach of the Week" on many occasions by the local and national media. In 1999, he was named "Coach of the Decade" by The Baltimore Sun.

Doug was also selected as head coach on Maryland's winning teams in the Big 33 Football Classic, the Chesapeake Football Classic and the Baltimore Metro All-Stars Game. Other awards bestowed on Coach DuVall include: "NFL High School Coach of the Week" by the Baltimore Ravens; "NFL High School Coach of the Week" by the Washington Redskins; "Coach of the Year" by the Washington District Football Officials (4 times); "Coach of the Year" by Gatorade; "Coach of the Year" by the Maryland Scholastic Football Coaches Association;

"Timmie Award" by the Washington Touchdown Club; and the "Edwin Henderson Award" by the Washington Pigskin Club. He was inducted into the State Football Coaches Hall of Fame by the Maryland Football Coaches Association, the "Legends Hall of Fame" by the Baltimore Touchdown Club and received the "Circle of Champions" award from the National High School Coaches Association.

Beyond his long term commitment to the Greater Baltimore Chapter of the National Football Foundation, Doug is currently the President of the Baltimore Touchdown Club, active in the Maryland State Football Coaches Association and helps run the Junior Player Development program for the National Football League. Doug has served as keynote speaker at youth sports banquets for several years and has been the guest speaker at football coaching clinics in numerous states. Coach DuVall runs the youth football camps for Howard County Recreation and Parks to develop skills and foster the love of football. He has been selected "Teacher of the Year 2004" by the American Legion Post 60 and is a multiple year honoree as a Who's Who Among America's Teachers.

Doug graduated from Howard High School in 1965, prior to earning his Bachelor of Science Degree (CUM LAUDE) in Physical Education from West Chester State College. Doug was appointed as graduate assistant to University of Maryland football team, and earned a Masters Degree in Physical Education from the University of Maryland. He subsequently earned a Masters degree in Education Administration from Loyola College.

Doug and his wife Jan of 37 years have one daughter, Beth, son-in-law Sam Lancelotta and three grandchildren, Jake, Cole and Clay.

Ranked 3rd by Digital Sport.com and The Baltimore Sun, The Poets squad was led by First Team All State and All Metro Player of the Year Tavon Austin, who capped his history making career with a thrilling 191 yard, 2 touchdown plus 2 point conversion performance in the championship game. Austin, who is headed to West Virginia University in the fall, rushed for 7,780 yards and 128 touchdowns at Dunbar and amassed 9,258 total yards and 790 points over his high school career.

The Poets also featured standout offensive performers Jonathan Perry at QB, RB Davon Muse, linemen Michael Mayo, Devin Clark, Antonio Brown, Joshua Melton, Anthony

Watters and WR Sean Farr. The defense was anchored by All Metro players Horace Miller, Gary Onuekwusi and Courtney Bridget, as well as Nathan Byers and Tevin Brown.

River Hill High School

As noted above, Brian Van Deusen's Hawks' return as state champions in the Class 2A final at M&T Bank Stadium earned the team the honor of tonight's award. The Hawks second consecutive win in the championship game over Eastern Tech High School 31-6 capped a spectacular season for the Howard County program that has 62-4 record over that past five years.

2009 Scholar Athletes

These scholar-athletes, representing football-playing high schools in the Baltimore metropolitan area, are selected by their respective schools primarily for their ability on the football field and in the classroom. Other factors taken into consideration include extracurricular activities, leadership, and community and church activities.

Every football-playing high school in Baltimore City and Anne Arundel, Harford, Howard, Carroll and Frederick Counties is invited to submit a nominee who best fits the aforementioned qualifications. Johns Hopkins Heart Hype Program

In 2008, The Greater Baltimore Chapter of the National Football Foundation participated in the Heart Hype Program in recognition of the organization's proactive approach to helping young athletes detect and assess potentially life threatening heart ailments. Over 3,000 young adults die suddenly each year, almost all of which could have been prevented if detected in time. Reggie Lewis, Hank Gathers, Jason Collier and Tom Herrion are well-known athletes who lost their lives to undiagnosed heart ailments.

The 2009 Heart Hype screening is scheduled for Saturday, May 23rd at Morgan State University. The goal is to screen hundreds of high school athletes for potentially life-threatening heart ailments. Questionnaires and waiver forms will be available on the Heart Hype Website (www.hopkinsHCM.org) and at the Maryland Public Secondary Schools Athletic Association website (www.mpssaa.org). We encourage our members, their families and friends to participate in this free program, in an effort to avert an unnecessary and untimely health threat.
