

Dear Coach,

As we all know, there is nothing like high school basketball. With spring's arrival, it's time to look towards summer and get your teams ready to play. As you all begin to prepare your summer calendars, I hope you will consider our weekend team camps here at Richmond Community Schools.

Our team camps have become a big success, drawing teams at all levels from St. Clair, Sanilac, Genesee, Lapeer, Wayne, Oakland, and Macomb counties. *Last year we had almost 50 teams attend our camp!* We think we've created an exciting atmosphere and an opportunity for you and your teams to grow and learn. Let's help each other get better!

When planning your summer, I do hope you will consider our weekend events. If we can answer any questions for you about our team camp, please feel free to contact us. We would love to have you at this summer's camp!

Yours in basketball,

Coach Jim Barnes  
Head Basketball Coach
