About Mike Roller

Coach Roller is from Lipscomb High School in Nashville, Tennessee and was a former Garden City East Standout. As a high school coach, he holds the second longest winning streak in the history of high school basketball, 125 in a row. His overall high school record is 501-89. Mike is an outstanding teacher of the game. He was named Georgia High School Coach of the Year four times, and on five occasions has been named Tennessee District Coach of the year.

What Others are Saying

“I thought we did a good job of developing our perimeter players until I watched Mike Roller in person. He has got to be the most informative and detailed teacher of perimeter play in the country. I would encourage every high school guard in the area to attend this clinic. I know it will be highly recommended here at Lake Orion.”

Jim Manzo

Former Head Coach - Lake Orion HS

“I was impressed after seeing Mike Roller at other coaching clinics earlier this year. He presented concepts and demonstrated drills that could be beneficial to a high school perimeter player.”

Pete Mantyla

Head Coach - Harrison HS
