

Office of the President

August 8, 2007

To Whom It May Concern:

I am writing to express my support of the Ocean/Monmouth Challenger Sports League. This program will provide a significant opportunity for disabled youth and their non-disabled peers to experience the valuable lessons and opportunities associated with sports.

The Ocean County Council Parent Teachers Association is commended for its efforts on behalf of disabled students. Athletic participation encourages confidence, discipline, skill, and socialization. Ocean County College will assist the Ocean County Council Parents Teachers Association with this new endeavor as appropriate.

I encourage your support of the Ocean/Monmouth Challenger Sports League, which is an outstanding opportunity for the youth of New Jersey.

Sincerely,

A handwritten signature in black ink that reads "Jon Larson".
