To Whom It May Concern:

As the 10th District legislators, we are writing to affirm our support of the Ocean/Monmouth Challenger Sports League. We believe that this is a unique opportunity for both disabled and non-disabled youth to socialize and enjoy the valuable lessons and opportunities that sports can provide.

We are excited about this new endeavor. We look forward to working with the Ocean County Council Parent Teachers Association to assist in spreading the word about the Ocean/Monmouth County High School Challenger League.

It is our hope that through our support of your organization the Ocean/Monmouth Challenger Sports League will be able to offer this outstanding opportunity to the youth of New Jersey.

Sincerely,

Andrew R. Ciesla
