To Whom It May Concern:

I am writing to you as a member of the Ocean County Board of Chosen Freeholders to demonstrate Ocean County's support for the Ocean/Monmouth County High School Challenger League. The Board believes this is a unique opportunity for both disabled and non-disabled youth to socialize and enjoy the opportunities that sports can provide. As a member of the Board I am excited about this new endeavor and I am looking forward to working with the Parent Teachers Association to assist in spreading the opportunities that the Ocean/Monmouth County High School Challenger League will offer to our youth.

It is my hope that through support of your organization, the Ocean/Monmouth High School Challenger League will be better able to offer this outstanding opportunity to the youth of Ocean and Monmouth Counties.

Very truly yours,

John P. Kelly  
Freeholder Director
