Medical care and camp conduct

Each camp participant must have received a physical examination within a year before attending camp and must be certified by his physician as physically able to participate in the sports camp. CMU will provide a fully qualified trainer during instruction times.

Medical bills are the responsibility of the participant's parent or guardian. CMU carries excess medical insurance with limits up to \$2,000 per accident per participant, subject to a \$500 deductible. This means the coverage is in excess of the participant's own insurance, or in excess of a \$500 deductible, whichever amount is greater. The deductible and any other medical expenses not covered by insurance are the responsibility of the participant's parent or guardian.

Campers must attend all sessions unless excused for medical reasons. Campers who do not follow conduct rules of the camp will be dismissed without a refund. Use of drugs or alcohol is prohibited.

CMU is an A/E/O institution (see www.cmuch.edu/aeo). For ADA accommodations, call 989-774-2151 at least one week before the event. Produced by CMU Public Relations and Marketing and printed by CMU Printing Services. PRM 8096 (3/09)
