**Dear ,**

This BCANY Buzzer Beater is to keep you informed of BCANY activities and actions.

### ***NYSPHSAA Reduction of the Number of Games from 20 to 18***

The BCANY Board of Directors developed a Position Paper on the Reduction of two basketball games from 20 to 18 games at their March, 2009 meeting. (Posted on BCANY web site). The Position Paper was sent to the NYSPHSAA Executive Director and was distributed to the NYSPHSAA Executive Committee for their meeting on May 1st.

Dave Archer, BCANY Executive Director met with the NYSPHSAA Executive Director on May 13 to discuss this issue. Dave was informed that the NYSPHSAA action of cutting 2 games is for the next TWO seasons (2009-2010 and 2010-2011.) He was informed that the Executive Committee might reconsider reinstating the 2 games for the 2010-2011 if and when the economic conditions warrant it. The decision for 18 games for 2009-2010 is set in stone.

This is an unfortunate situation. The BCANY Board of Directors is designing strategy for our next actions in our movement to get the two games restored.

**Action** you can take is to let your Athletic Director, Principal and

Superintendent know why you think the 2 games should be restored. (Refer to BCANY position paper for ideas). It would also be interesting to find out from your Athletic Director exactly how much money was saved by the reduction in games. So far we are finding out they savings is not very much per school.
