## President's Message

The 33rd annual MSADA conference was a big success. Many records were established at this conference. We had the highest number of attendees, the greatest number of vendors, and the most people ever to take the Certified Athletic Administrator (CAA) exam. Two counties (Washington and Cecil) had 100% attendance by their athletic directors. We offered seven Leadership Training Courses (LTC) during the conference. Although not a record, it is still impressive that so many LTC classes are available at one state conference.

We had outstanding guest speakers and presenters at the conference. Ms. Suzanne Maxey gave a beautiful speech at our General Session meeting. Andy Pollin, radio personality and author, gave an insightful talk at the awards banquet. Dr. David Higgins made a fascinating presentation about his experiences as a doctor with the U.S.A. Olympic team. We also had interesting workshops done by Dr. David Hoch, CMAA; Michael Duffy, CMAA; Jack Holloway, and Mike Gelman, CMAA. The discussion panel workshop was also outstanding. We had athletic administrators from across Maryland and Delaware share their thoughts about current issues. And of course, Matt O'Hare, CAA, our Master of Ceremonies for the awards banquet, took full credit for the wonderful weather we had throughout the weekend!

This year was our first attempt at having a joint conference with Delaware. I want to thank DAAD Executive Director, Bradley Layfield, for his efforts in making things go smoothly.

It takes a lot of work by a lot of people to put on a conference. The MSADA members volunteer their time and talents to put on a conference which is both professional and friendly. I specifically want to thank Karl Heimbach, CMAA, Derek Maki, CMAA and Carol Satterwhite, CAA for all their work.

The MSADA is in great shape. We are doing well because of the people who are willing to step up and help. I encourage all of our members to be active participants in our association.

As we wind down the school year, I wish each of you a relaxing summer. Please remember that the MSADA is sponsoring the New and Aspiring AD Workshop and the Summer Institute in July. Both of these events provide great opportunities for professional development.

Have a great summer.

*Jim Tapley, CAA*

Matt. The weather was beautiful!

## Conference Vendors

Derek Maki, CMAA, 1<sup>st</sup> Vice President

As you know, the vendors are a key part of our annual meeting each year. I'm proud to report that we set a new record with 67 total vendors this year. We had a good variety of displays to look at and people to make contact with. We had some old faces and some new ones. The hall looked brighter and more inviting with the changes to the design and the new curtains. For the first time, we had an MSADA booth located in the hall, which allowed all of our members to visit the vendors on their way back to pick up the conference gift. The gift this year was a flash drive along with a beautiful portfolio notebook.

Here's a breakdown, which gives you a clearer picture of this year's vendor hall. First off, we had 18 new vendors, one from as far away as Utah, and another from Kansas. From last year's new vendors, we had 10 return and nine vendors who have been with us for 3 to 5 years. As products change, new vendors appear with new and interesting products. Of course, we always appreciate our core group, led by the NEFF Company and Riddell and nine other exhibitors who have been in OC with us for at least 15 or more years.

We increased our major corporate sponsors with Leisure Fitness and Musco Lighting coming on board this year.

We held our annual social in the hall on Friday evening and it was a blast. The next morning, we gave away tons of door prizes donated by our vendors and the winners are listed on our website as well as in this edition of our newsletter.

Special thanks to RCI sound for providing the sound in the hall, including the music, that added to the ambiance.

Please remember, during the next year, try to patronize our sponsors.

## MSADA 2009 Athletic Director of the Year

*Michael Duffy, CMAA*

Michael has been an active participant in the Maryland State Athletic Directors Association, serving as an at large member of the Executive Council. He has also been actively involved in the National Interscholastic Athletic Administrators Association as an instructor in the Leadership Training Program. He has given

unselfishly to this program on both state and national levels. He has taught or co-taught LTC 504, LTC 506, LTC 707 and LTC 720 at the MSADA Summer Institute, MSADA Annual Convention, the Maryland State Teachers Association Convention, and the Maryland Association for Health, Physical Education, Recreation and Dance Annual Convention. As a NIAAA National Faculty Member, he has co-taught LTC 707 at the NIAAA National Athletic Director's Convention for the past four years.

To earn his CMAA designation, Michael developed a leadership initiative at Howard High School called The Captains' Clinic. This program is a two-day seminar that provides students real-world opportunities to learn and grow as potential leaders within the athletic program of the school.

As a Certified Master Athletic Administrator, Michael continues to develop professionally, attending Leadership Training Courses whenever possible at the MSADA Annual Convention in Ocean City and at the NIAAA National Convention. In addition to teaching in the Leadership Training Program, he continues to give back to the profession, presenting workshops at both the MSADA Annual Convention and the National NIAAA Annual Convention.

Michael has been a leader in the Howard County Public School System. He has assisted on four occasions with coaches and athletic administrators from other countries, giving freely of his time and expertise. Each of these groups, from Senegal, India, China and Romania, were interested in analyzing the relationship of interscholastic sports and the academic mission in a Student-Centered, Education-Based Athletic Program.

The HCPSS athletic league schedule of contests is a product of Michael's hard work. The other II school-based Athletic

Administrators in Howard County are extremely grateful for Michael's willingness to take on this thankless, but important task. He has also piloted our scheduling technology, and has in-serviced many of the II Athletic Administrators in the use of the League Minder Scheduling Service.

When the HCPSS established full time Athletics Administrators, Michael served as a member of the committee that developed the formal evaluation tool and process. He has also been a member of the HCPSS Handbook Committee, charged annually with revising the Handbook for Interscholastic Sports Policies and Procedures. Using his background as a special education teacher, Michael is currently a member of the Adapted Sports Workgroup which is moving towards creating greater opportunities for students with disabilities to participate in interscholastic athletics.

Michael was the head wrestling coach for Mt. Hebron High School for nine years during which time he helped guide the program to its only state championship, in 2002. At the conclusion of that season, he was named the Howard County, All-Metro, and Maryland State Wrestling Association Coach of the Year.

He is a District V Representative to Maryland Public Secondary Schools Athletic Association Wrestling Committee and serves as the Wrestling Sports Chair for the HCPSS. As the sports chair he oversees the county's wrestling weight certification program and Howard County Wrestling Championships. Beginning in 2009/2010, Michael will serve as the MPSSAA Wrestling State Tournament Director.

Michael resides in Ellicott City with his wife, Hope, and their two daughters, Megan and Bridget.

## MSADA Then and Now “A Conversation with Bob Foster”

Lee Dove, CAA, Athletic Director  
Archbishop Spalding High School

There are times in life when unexpected opportunities arise allowing for chance meetings and good conversation. Such was the case at the 33<sup>rd</sup> annual MSADA conference in Ocean City this past April.

As a past president of the organization I had the good fortune to sit down and talk with the person best referred to as a “founding father” of the organization. Bob Foster was the athletic director at Paint Branch High School in 1974 when he and a handful of other AD’s had just begun to discuss the potential rationale for a professional organization in the state of Maryland. Bob along with colleagues such as Bob Burris, Ed Novak, Hugh Gelston, Bill Dargert, to name a few, shared their thoughts and ideas and really got the ball rolling. But it was Bob Foster who took the handoff of that ball and ran with it.

Mr. Foster recalled discussions with John Youngblood from the Virginia AD’s Association about the nuts and bolts of establishing such an organization. Virginia and 45 other states already had associations for athletic directors in place, so it seemed only natural that the AD’s in Maryland should not only consider, but work towards establishing one of their own. Bob, with help from his wife, did all of the legwork in getting out letters to the nearly 300 schools from across the state, in an effort to accumulate accurate information. Bob felt that an athletic directors association should include not only public schools but private and parochial schools as well. He was quoted in a Washington Post article as saying “We do have room for improvement in Maryland athletics. This is one thing that will help bring us – bring everybody together and let us communicate.”

Thanks to Bob’s perseverance over the course of about 18 months, the membership count had grown to 110 schools. With agenda items such as nominating officers, developing a conference schedule, selecting a location, and consideration of potential vendors, the plans began to fall into place for the first official AD’s conference in 1976. Ocean City was selected as the site and it has remained the site for the past 33 years. Over this time period the MSADA conference has been held at the Fenwick Inn, the Convention Center, the Carousel, the Sheraton, and for the past many years at the Princess Royale Hotel. Jim Dillon (deceased) long time athletic director at Old Mill High School was selected as the first president. The conference had about

115 members in attendance, a dozen vendors, and all at a cost of \$15 per member. The speakers addressed topics such as; the role of AD’s, record keeping and budgeting, and the implication of interscholastic sports.

From those early formative years up to the present date, the MSADA has come a long way in making the current association one of the finest in the nation. With all of the numerous professional development opportunities, certification programs, professional sponsorships, vendor support, and the well coordinated annual conference the MSADA has truly surpassed the visions of those founding members so many years ago. Mr. Foster, who lives out of state and has not been at a conference in many years, shared his delight at what he had witnessed at this year’s event.

To Bob Foster, and the others who gave their time and talents in the beginning stages of the organization, we say thank you. Without your vision and determination we would not be where we are today. To our current members, please remember that the MSADA is an organization about you and for you. Take advantage of all of the opportunities it affords. Be an active member. Become involved.

## MSADA Professional Sponsorship

Take a moment and consider all the MSADA offers in terms of professional growth and development for the athletic directors of the state, which in turn benefits our programs, athletes and schools. Through the MSADA, athletic directors can:

- Complete LTC Courses which enhance their professional competency
- Participate in workshop sessions which provide practical solutions for the various challenges they must meet in their positions
- Contribute to the annual MSADA Scholarship Program
- Contribute to the Endowment Program
- Network with other athletic administrators
- Take advantage of mentoring opportunities from experienced athletic directors
- ...And many more

Please consider having your school become a professional sponsor of the MSADA or encourage your booster club to make a contribution. In order to continue its valuable efforts, the MSADA could use your school's support.

We already have a commitment from a several schools to be a professional sponsor. Will you be next? Please help the MSADA's efforts to promote quality athletic programs in the state of Maryland.

## *In Memoriam*

George H. Gernand, former teacher, coach and athletic director at Dulaney High School passed away of prostate cancer on Sunday, March 8, 2009. He was 82.

Mr. Gernand was born and raised in Union Bridge, Maryland. After graduating from high school, he enlisted in the United States Navy, where he served in the Pacific aboard the USS Yorktown.

After his service in the navy, he attended and earned his bachelor's degree at Springfield College in Massachusetts. He received his master's degree in education from the University of Maryland.

Mr. Gernand moved to Essex in 1953 and began teaching and coaching at Sparrows Point High School. In 1960, he transferred to Ridgely-Dulaney Junior-Senior High School. In 1964, Dulaney High School opened and Mr. Gernand became the school's athletic director. He taught physical education and driver's education and coached football, soccer, basketball and lacrosse.

In 1976, Mr. Gernand led Dulaney to a county and regional championship with a 10-2 record. In addition, he was named "Lacrosse Coach of the Year" by Baltimore's Evening Sun newspaper.

Mr. Gernand retired in 1992, but continued to coach, as a volunteer, for a few more years.

Mr. Gernand is survived by his wife of 55 years, two sons, a daughter, two brothers and six grandchildren.

Banquet Speaker Andy Pollin

## Questions, Answers, Ideas...

Responses from the Winter Newsletter Question:

"What important information should be on your athletic department webpage to improve communication and save you time?"

1. Have individual team schedules with game results posted and updated daily.
2. Have daily announcements with any changes or cancellations posted immediately.
3. Have team rosters with names, numbers, grade etc., Great for media!
4. Directions to away games.
5. Coaching directory with contact information.
6. All necessary tryout information and forms.
7. Booster Club directory with contact information, membership and fundraising information.
8. Ordering letter jackets and spirit wear information and forms.
9. Order forms for physical education uniforms and team packages.
10. Articles on sportsmanship, participation, etc.,
11. Summer camp link

## Renew MSCA Memberships!

Please remind your coaches to renew their dual membership in the Maryland State Coaches Association and the National Federation Coaches Association. Now is the time.

Why now? The membership year runs from August 1<sup>st</sup> through July 31<sup>st</sup> regardless of when the membership form is received. If coaches wait until September to renew or join, they are missing valuable coverage.

Also, nominations for the State Coach of the Year Awards in the various sports are due October 15<sup>th</sup>. The later that a coach joins or renews their membership, the less time there is to submit a nomination.

Considering the enormous benefits, the \$16 membership fee, which is the lowest of any state in the country, is a fantastic bargain. Therefore, please remind your coaches to renew or join now. Pay for their memberships if you can – there is no better investment.

If you have any questions or need more information, contact Dr. David Hoch [dhoch@bcps.org](mailto:dhoch@bcps.org)

# CRAB TALK!

## District 1B

Carroll County will open a new high school in the fall. Dave Dolch will be that athletic director at Manchester Valley.

## District 10

Congratulations to Mrs. Mary Ella Marion, Mercy High School, for 15 years of service and to Mr. Tom Lentsch, Baltimore Lutheran School, for 30 years of service.

Roland Park Country School is enjoying its new \$19 million athletic complex. The 39,000 square foot building houses a three lane jogging track, gym box with three full basketball courts, athletic trainer's suite, indoor rowing tank, 3,000 foot fitness center, child care center and plenty of office space. There are two new synthetic turf fields, as well. This latest project was added to the recently refurbished squash courts and nearly new tennis courts. This has made the entire complex a very state of the art facility.

## Middle Schools

The Ruxton Country School in Baltimore County will be closing its doors in June. The faculty and staff were officially told on April 13th that their jobs were being eliminated. With the closing of the school two people in the athletic department will be effected - Mary Dohony (K-8 PE) and John Folfas, RAA (Athletic Director and middle school PE). Mary has taught at various private and public schools around the Baltimore area for over 20 years. John has taught physical education in private schools for 11 years; coached basketball, baseball and softball; and has been the athletic director at Ruxton for six years. Mary and John are both actively looking for full time teaching/coaching employment.

The Jemicy School will become a high school in the fall and begin using the Ruxton Country School campus.

**NIAAA News**  
[www.niaaa.org](http://www.niaaa.org)

There has been a 35% increase in Certification participation and a 15% increase in the Leadership Training Program since last spring. To qualify for CAA and CMAA, applicants must produce their LTP certificates. Recently, there has been a large increase in requests for replacement certificates. This indicates that people are not keeping the ones they

received after completion of their course. Prior to this spring, the NIAAA would take the time to look up old rosters to verify attendance and completion instead of making them produce the certificate.

**Because of this increase in requests, there will be a charge of \$5.00 for each certificate replacement. If you need to replace a certificate, you should contact Patty Conrad [pconrad@niaaa.org](mailto:pconrad@niaaa.org) at the NIAAA.**

Please take a few minutes to update your school athletic department's information for the Clell Wade Coaches Directory. It can be done online. [www.coachesdirectory.com](http://www.coachesdirectory.com)

Make sure you, your coaches and your guidance department have checked the most up-to-date NCAA Eligibility Information and Rules at [www.ncaaclearinghouse.net](http://www.ncaaclearinghouse.net)

Have a great and safe summer.
