

Jr. Sunbelt 2009 Recap

Team Missouri had a good week in McAlester and it could have been even better. The first game could not have gone worse as we were no hit and run ruled 10-0. The players responded well however and we finished 5-5 for the week. We lost to the eventual champion Team Georgia 7-6, while being no hit through 6 innings and being behind 7-1 entering the 7th. We won four games by eight runs or more as our hitting came to life during the middle of the week. Included in that streak was a 10-2 win over Team Texas and a no hitter thrown by Jordan Shippers (South Harrison) against Oklahoma Blue. We lost to Team Mississippi in the 5th place game 8-3.

Two of our players were named to the all tournament team; Horace Johnson (Raymore Peculiar) and Dustin Kremer (Blair Oaks). We had many outstanding individual performances and the team represented themselves, their schools and their state very well.
