

THE NATIONAL FOOTBALL FOUNDATION

47th Annual Scholar Athlete Awards Dinner

November 3, 2009

Dear Sponsor,

We are now well underway in organizing the details of our program for the 47th Annual Scholar Athlete Awards Dinner, which will be held at Martin's West on **March 10, 2010**.

The stars of our program will be the Scholar Athletes chosen by the more than 110 football-playing high schools in Baltimore and its surrounding counties. Five regional scholarship winners will again be chosen to represent the best and brightest this area has to offer.

A sell-out crowd attended last year to enjoy an evening, which, once again, received national recognition as the finest awards dinner of its kind in the country. In previous years, you made this program possible by your sponsorship of one or more participating schools. Without your support, this affair would not be possible.

We are asking you now to make your reservation to purchase your table(s) for the 2010 dinner-- **\$600 per table of 10**. Please give us your affirmative reply on the enclosed form. **Table locations are assigned on a first come, first served basis.** Please make your reservation early.

Thank you.

Sincerely,

Ken

Dinner Chairman

Mills

Encl.
