

# HALL OF FAME

The BCAM Hall of Fame inducted the first members in 1985. The purpose was to honor those coaches who had been successful for many years. There are now over 100 coaches in the BCAM Hall of Fame. To qualify for the Hall of Fame a coach must have coached Varsity/College Head Basketball for 20 years or more and/or accumulated 300 or more victories. Applicants must also have been a BCAM member for at least 3 consecutive years or have been retired for 3 years prior to 1985.
